(1) Site Visits defined as the number of series of page requests from the same uniquely identified client at Zalando, including website, m.site and apps in the measurement period. A visit is considered ended when no requests have been recorded in more than 30 minutes.

(2) Mobile is defined as tablets, mobile site and apps.

(3) Active Customers defined as the number of customers placing at least one order in the last twelve months in the measurement period irrespective of cancellations or returns.

(4) Number of Orders defined as the number of customer orders placed in the measurement period irrespective of cancellations or returns. An order is counted on the day the customer places the order. Orders placed and orders delivered may differ due to orders that are in transit at the end of the measurement period or have been cancelled.

(5) Defined as GMV divided by the number of orders.

(6) GMV is defined as the value of all merchandise sold to customers after cancellations and returns and including VAT, dynamically reported. It does not include B2B revenues (e.g. Partner Program commission, Zalando Marketing Services or Zalando Fulfillment Solutions) and other B2C revenues (e.g. service charges like express delivery fees) – these are included in revenue only. GMV is recorded based on the time of the customer order. Dynamically reported.

(7) Fulfillment Cost Ratio defined as fulfillment cost as a proportion of revenue in the measurement period. Fulfillment costs mainly include logistics, content creation, service and payment expenses, as well as allocated overhead costs. Fulfillment costs therefore comprises all selling and distribution costs, except for marketing costs. All numbers shown excluding equity-settled SBC costs.

(8) Marketing Cost Ratio defined as marketing cost as a proportion of revenue in the measurement period. Marketing cost mainly consists of advertising expenses including search engine marketing, television, online display and other marketing channels as well as allocated overhead cost. All numbers shown excluding equity-settled SBC costs.
