Strategy update

Capturing our long-term opportunity

2020 was a year like no other and we responded decisively to challenges posed by the COVID-19 pandemic

Prio #1

Ensure safety of our people

Prio #2

Safeguard financial success

Prio #3

Be part of the solution

We are a truly European fashion platform and have reached key milestones in 2020

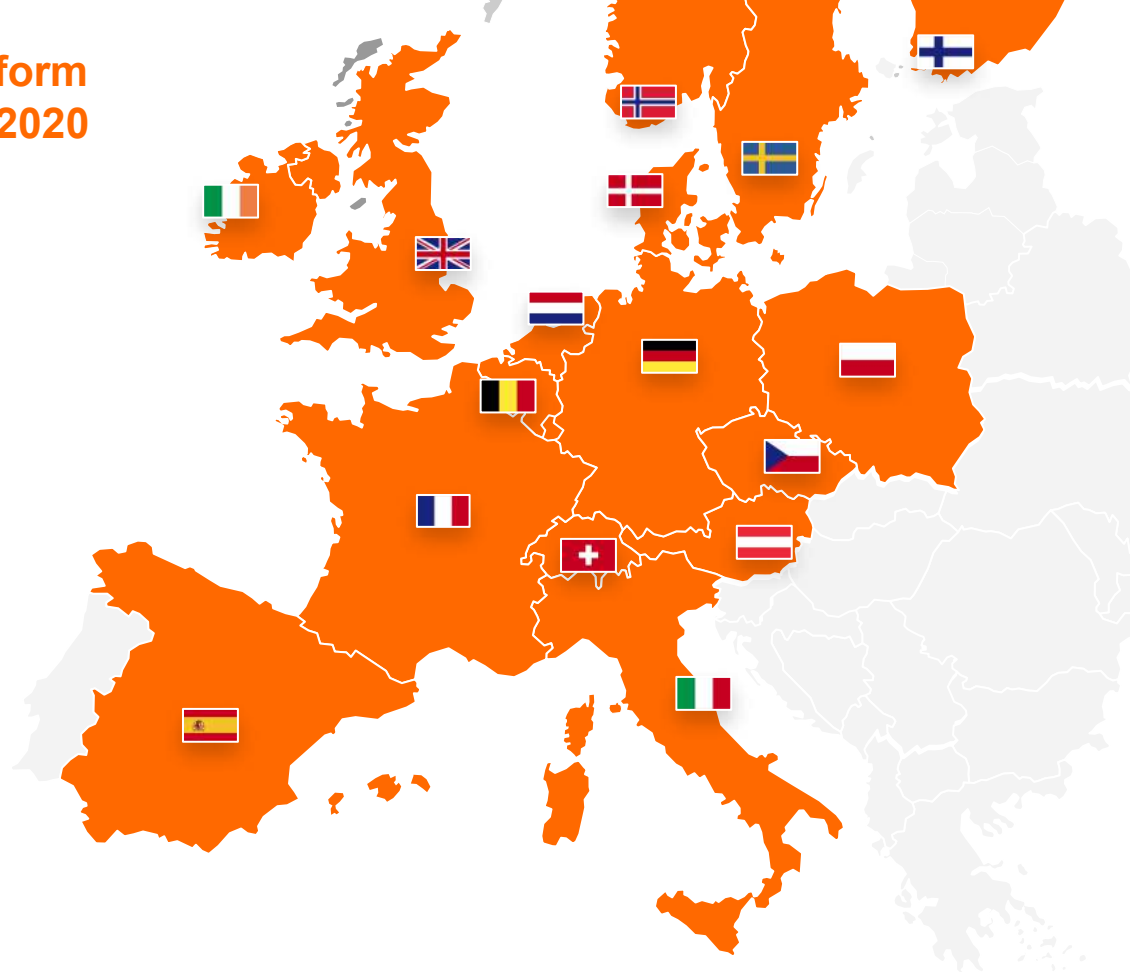

>50% of GMV generated outside of DACH

Exceeded 1bn EUR in GMV in the Nordics

Generated highest active customer growth in Southern Europe

We have a strong and consistent growth track record, growing 4x in 6 years after IPO - clear confirmation of our strategy

Group GMV¹ 2014-2020, in bn EUR

Outgrew European online fashion market by factor of 2-3x²

Exceeded 10bn EUR GMV target set on CMD in 2017

Remained **consistently profitable** with **high re-invest** into growth

We also continuously innovate the way we engage with our customers to build deeper relationships

Improving the core experience

Customers who follow brands on Zalando visit our platform **2.3x more often**

Elevating distinct propositions

Customers who shop on Fashion Store and Lounge order **2.6x more often**

To achieve our vision
we are transitioning towards a true platform business

The most important building block of the Starting Point vision is our transition towards a true platform business model

The Starting Point for Fashion.

Zalando benefits

- Platform adds scale to Zalando
- Less inventory risk – while improving customer offering

Customer benefits

- Desirable and comprehensive assortment (endless choice)
- High availability

Partner benefits

- Direct access to European digital consumer
- Leverage Zalando capabilities (tech, data, logistics)

Platform
Strategy

We have further accelerated our transition towards a platform business

Progress towards our target model

- 1) Partner Program share of 40% refers to our business model mix ambition for 2023/24. In our long-term target model, we aim for a 50% Partner Program share
2) Refers to our long-term target model ambition

... and stores make it part of their strategy ...

“For the customer, the close linking of brick-and-mortar and online is a **huge advantage because they get services that we probably don't even know about today.** And I think we're just scratching the surface here.”

Heiko Ronge, CEO PTH Group

... opening up huge growth potential

~300,000 fashion stores across Europe

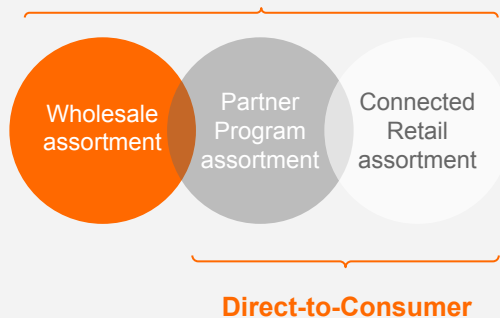

~75% share of total fashion market

Expanding Connected Retail to **13 markets and tripling the no. of stores** by end of 2021

We are building a platform that provides a scalable solution for brands, retailers and stores and thereby allows us to serve an increasing number of active customers

Enabling Direct-to-Consumer

Customer choice

We want to be part of the solution

Our sustainability vision:
To be a sustainable fashion
platform with a net-positive
impact for people and the
planet.

We are drastically reducing our own emissions and will work with our partners to do the same

Our aspiration:

We are carbon neutral in our own operations and aim for a 1.5°C pathway in line with the Paris Agreement

Our own operations (Scope 1+2)

Tons of CO2 from own operations

As of 2019, we offset all remaining emissions, making us **carbon neutral in our own operations, deliveries & returns**

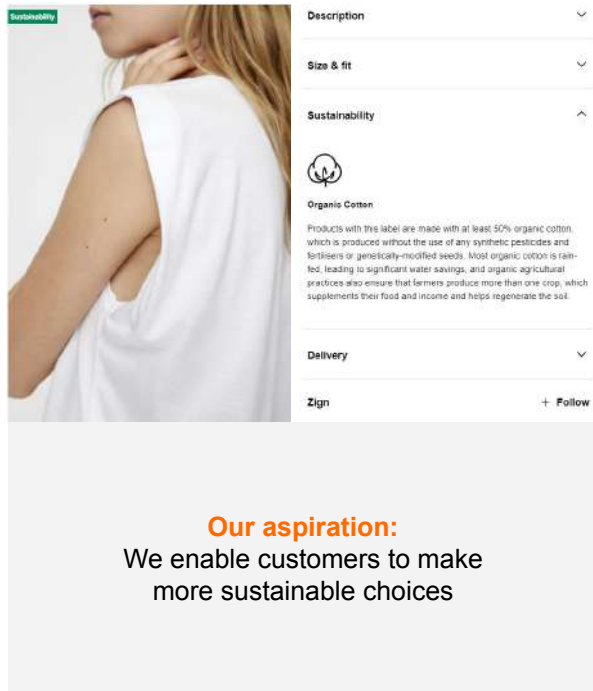

Our supply chain (Scope 3)

Our Science Based Target:

Zalando commits that 90% of our suppliers will have set Science Based Targets by 2025

We encourage brands to produce and customers to choose more sustainable products

- 1) Zalando Fashion Store
- 2) Zalando Group
- 3) Products carrying the sustainability flag. Does not include Pre-Owned

On our path towards having a net-positive impact, we will continue to shape new business models and expand into circular systems

Our aspiration:
We move the fashion industry
from linear to circular

Strategy update

Capturing our long-term opportunity

We are confident that we can capture more than 10% of the total European fashion market long-term by further executing on our vision and strategy

The COVID-19 pandemic **has accelerated change** in the fashion industry **that has long been in progress** and **blurred the boundaries between offline and online**

Our **platform strategy** allows us to **play an even bigger role in fashion** for customers and partners
